

# Keys To Your Child's Academic Success

## ✓ **Personalized Instruction**

Kings Landing Academy employs the latest in elementary, middle, and high school level curriculum designed specifically for a personalized learning experience. Individualized instruction guarantees mastery of subject matter and the highest possible academic achievement for every student.

Advancement is based upon the fulfillment of a child's individual potential and never on comparison to other students or minimal national, state, or local norms.

## ✓ **Emphasis On Reading Mastery**

The finest phonics reading program, the latest computer reading speed and comprehension technologies, and reading deficit correction programs ensure reading mastery for every student. Careful testing, diagnosis, and prescribed programming help pinpoint and correct any existing and potential audio and/or visual problems.

## ✓ **Strong Computer Emphasis**

From academic testing and integrated professional software, to drill and practice games, and computer-video interactive High School courses, Kings Landing Academy's Computer Center offers each child vital computer-age skills. In addition, supplemental tutorial videos enable High School students to visualize concepts as they work through certain challenging academic subjects.

## ✓ **Rich Learning Experience**

Kings Landing Academy's 32 acre country campus and adjacent Kings Landing Park provide the perfect setting for recreation, sports, and nature study programs.

## ✓ **Faith-Based Character Building**

Kings Landing Academy is committed to a distinctively Christian education, with a conservative interpretation of the Bible at the very heart of its philosophy and academic content. Parents must understand that students will receive religious instruction based on the Academy's Doctrinal Statement. (Matters of denominational interpretation will be referred to the student's/family's pastor as applicable.)

## ✓ **Committed Christian Staff**

Kings Landing Academy requires each staff member to be deeply devoted to the person and principles of Jesus Christ. Christian character and a heart for serving children and their families are essential qualifications for Academy positions.

## **Come See for Yourself**

Interested families and students are always welcome to visit Kings Landing Academy. It is an excellent way to see the school as it really functions in its daily routines.

Classroom activities (academics) are scheduled each morning from 8:30 to 12:15 P.M. It is during these five Class periods that you can observe students in the supervised yet individualized process of learning.

Afternoons may find the students in one of several graded group activities including Physical Education, Art, Music, Nature Studies, Drama, Assemblies, and Chapel.

You may want to call to be sure of the particular scheduling that day.

## **For further information...**

Find enrollment materials online at [www.calvertchurch.org](http://www.calvertchurch.org), or visit the academy office, located at 2450 Kings Landing Road in Huntingtown, just over one and a half mile on the left (before Kings Landing Park).

**Tuition Information**  
**2009-2010 ACADEMIC YEAR**

**Registration Fees:**

Initial/Application	\$60.00
Re-registration (Annual)	\$35.00

**Tuition:**

Grades 1-8	\$4,000.00
Grades 9-12	\$4,200.00

Tuition includes all instruction, books, and materials. There are nominal fees for additional and repeated work. There may be other miscellaneous fees and/or purchase requirements.

**Tuition Payment Plan**

Tuition may be paid on a ten month basis, with no additional finance charges. Payments begin August 1 with a 10% non-refundable deposit with nine payments from September 1 through May 1 of the school year.

**Family Tuition Discounts**

The tuition rate will be discounted 30% for each child after the first child of a family enrolling two or more children in K.L.A.. The oldest child enrolled under the full tuition rate will be considered the first child for the purposes of determining discounts.
